

For Immediate Release

City Telecom's Ricky Wong voted amongst the Global Top 100 most Influential People in the Industry

(Hong Kong, 14 November 2008) City Telecom (H.K.) Limited ("City Telecom", HKEX 1137.HK / NASDAQ CTEL) is pleased to accept recognition from The Global Telecoms Business Magazine ("GTB") for our Group's Chairman, Mr. Ricky Wong, being voted amongst the top 100 most influential people in the industry in the world.

GTB, founded in 1993, is the journal for senior management among communications service providers worldwide. The GTB 100 was voted by the magazine's readers between September & October 2008, in which listed the biggest names in the industry such as *Google, Apple, AT&T, Telstra, Ericsson, Alcatel-Lucent, Verizon, Nokia, Cisco Systems* and many others global brand names. City Telecom's founder and chairman Mr. Ricky Wong was voted as the 67th most influential people in telecommunications worldwide, "*...He's running the network of the future: see and admire.*"

Mr. Ricky WONG, Chairman of City Telecom expressed, "I am very honored to be voted and listed among some of the most inspiring and pioneering professionals in the telecommunications industry around the world today. Although Hong Kong is small, our innovativeness and capabilities can still reach out across the globe and make an impact. This listing don't just belong to me, it is also the solid proof of the right decisions made, as well as firm belief held by our investors, our partners, our management team, and most importantly our staff!"
