The Birth Of A New TV :
”Hong Kong Television Network Limited”
A New Voice A New Thinking A New Vision A New Era

(Hong Kong, December 4, 2012) City Telecom (HK) Limited today announced that it will be renamed as Hong Kong Television Network Limited (“HKT”), subject to the approval from shareholders in Extraordinary General Meeting to be held in end-December. HKT embraces the vision to form a platform of entertainment, enjoyment, life, information, inspiration and most importantly, keeping pace with the city. This platform shares the same voice, searching for the real thinking and to interact deeply with Hong Kong people, which is also a TV station owned by the Hong Kong people. The logo, visualizing a brain that can speak, carries the meaning that HKT will create different mentality, different thinking and different voices; without a definite colour tone, the logo also mean that we will not stick the prevailing norm, that we will breakthrough with “why not” spirit.

HKT consists of more than 500 backstage talents and signed up approximately 220 artistes. Our Drama Production included 《童話戀曲 201314》、《三面形醫》、《導火新聞線》、《神探導盲犬》、《驚異世紀》、《還來得及再愛你》、《第二人生》、《功夫》、《開腦儆探》、《客家女人》、《歲月樓情》及《警界線, etc . For Variety & Infotainment programs, it included 《挑戰》、《奧比斯甘肅救盲行動》、《食的秘密》and documentary series named as 《飄》.

The show is the first large-scale project since April this year, when we commenced program production.
