(Hong Kong, 1 Sept 2011) Hong Kong Broadband Network Limited ("HKBN", a wholly-owned subsidiary of City Telecom (HK) Limited, HKEX: 1137, NASDAQ: CTCL) is pleased to announce that the Company will be one of the Service Provider Partners of Broadband World Forum 2011, Paris from 27 to 29 September, 2011. Mr. William Yeung, CEO and Mr. Lo Sui Lun, CTO of the Company, will present at the forum. Please see Appendix 1 for details of upcoming conference events.

Key Note Presentation by William Yeung, CEO:

**Fiber-to-the-home/building deployment in Hong Kong: Successful Story of the Forerunner**

- HKBN is the largest fiber-to-the-home/building broadband provider in Hong Kong, being a key catalyst for Hong Kong's global position as the 3<sup>rd</sup> highest fiber-to-the-home/building penetrated market in the World after Korea & Japan.
- Reasons for HKBN's success: technical, operations & most importantly, our Talents (people).
- HKBN's industry-leading financial performance with 20% net margin and 19% return on equity – it pays well to be disruptive.
- How will we sustain our leadership momentum in years ahead?

Broadband World Forum is the world's largest Broadband event attracting more than 10,000 decision-makers from across the globe.
