# TEN BROTHERS

CTI Talents Welcome You To Our  
Annual Results Announcement

"Ten Brothers" is a Chinese legend developed around the Ming Dynasty 1,368-1,644. It revolves around a couple that swallowed ten pearls and then gave birth to ten brothers with different supernatural talents. When faced with a Big Hairy Audacious challenge, the ten brothers discovered that by fighting in unity they are far more powerful than fighting as individuals, despite each have special individual talents."
