

For Immediate Release

**HKBN receives Hi-Tech Weekly's The Best of The Best Awards 2007-08 –
Best Brand for Internet Service Provider**

(Hong Kong, 3 April 2008) Hong Kong Broadband Network Limited (“HKBN”) is pleased to announce that it has been awarded as the winner of Internet Service Provider category of Hi-Tech Weekly magazine’s prestigious The Best of The Best Awards 2007-08.

Affiliated to Ming Pao Enterprise Corporation Limited, Hi-Tech Weekly is the leading PC & Digital weekly magazine in the Hong Kong market and highly regarded across the Audio/Visual, PC & Digital markets. The aim of the award is to make affirmation to the outstanding IT product manufacturers / service providers and acknowledge their best performance and innovation on IT products / services provided.

Winners have to go through online public voting, and the selection by the judging panel composed of wide spectrum of specialists from institutions and associations of the industry. The Best of the Best Awards are also recognitions for the winners for their well-established and trusted brand image, with unique as well as innovative product features.

Chief Operating Officer of HKBN, William Yeung said in the award presentation ceremony, “Throughout the years, HKBN has won several awards with its excellence in both products and services. This award has once again recognized our continuous efforts in striving to be the best, fueling us to reach another height.”
