

For Immediate Release

## **Warm and Cozy Season's Greetings to Discovery Bay Residents from HKBN**

(Hong Kong, 9 December 2011) Hong Kong Broadband Network Limited ("HKBN", a wholly-owned subsidiary of City Telecom (HK) Limited, HKEX: 1137, NASDAQ: CTEL) launched our Fibre-Optic Network in Discovery Bay in September this year.

Discovery Bay residents have welcomed us warmly as shown by our customer feedback.

Alen Lin, residents of Discovery Bay, said *"The speed of the network service is significantly faster than my old service, about two times faster when downloading data. So far, there has been no service disruption."* Another Discovery Bay HKBN Subscribers, Nelson Mak commented, *"With just an hour of installation, the whole internet experience is changed. Downloading files and using Skype with friends are so smooth now!"*

Ben Hui, Mini-CEO for Discovery Bay, said, *"For Discovery Bay residents, we believe that living on a beautiful island shouldn't mean being isolated from competitive choice. Since our arrival in Discovery, we believe all residents are benefiting from additional choice and also competitive stimulus for better value and better service. We believe that our service is so good, that once you have tried it, you will love it. In fact, this gives us the confidence to offer a 1 month money-back guarantee to new customers. Going forward, as we expand our coverage, we look forward to sharing our World leading telecommunications services with our friends in Discovery Bay"*

If you are a resident of Discovery Bay interested in our service, please feel our warmth by calling the dedicated registration hotline: 3613-8888.
