### **HKTV Seeks Approval for Disclosure Request on Consultant's Reports**

(Hong Kong , 4<sup>th</sup> November 2013) In view of recent media reports that Legislative Council members noted from the Government that undisclosed weighting was given to the four criteria as stated in the consultant's reports, where financial sustainability is regarded as the most important that HKTV got the lowest ranking on this aspect, Hong Kong Television Network ("HKTV") would like to make the following response.

HKTV received the four consultancy reports in May 2013 but we resist to disclose any of the content out of respect. However, since 15 October, the Government has been selecting favorable content from the reports and alleged that HKTV got the lowest score, all these are contradictory to the reality. HKTV has made written request to the Government to seek approval on the disclosure of the relevant parts of those reports for the public's understanding.
