

Statement on Public Consultation towards HKTV's Free TV Licence Application

(Hong Kong, 6 June 2014) Hong Kong Television Network Limited ("HKTV") welcomes the public consultation towards our free TV licence application, and hope that the Government and the concerned department will handle the application efficiently.

As a recap, the key differences from the previous application are :

- A. HKTV plans to operate three channels, including Cantonese, English and news.
- B. With previous operational experiences, we have adjusted the planned investment amount to HK\$3,447 million for the first 6 years, including HK\$2,403 million on programming expenditure, HK\$604 million on operating expenditure and HK\$440 million on capital expenditure.

Please refer to the corresponding Government Notice :
