## **HR Summit Presentation – Unleashing The Talent Within**

(Hong Kong, 11 May 2010) City Telecom (H.K.) Ltd. ("City Telecom", HKEX : 1137, NASDAQ : CTEL) presented at the HR Summit 2010, Kowloon Shangri-La Hotel, Hong Kong yesterday.

"Most commentators associate HKBN as a high technology, fibre rich company. In fact, we are a Talent (People) company. As a company, Talent costs are our single largest cash investment every year, far more than the capital expenditure in our fibre network. In short, we will maximize shareholder returns by driving Talent productivity, even more so than improving our fibre network performance", NiQ Lai, CFO and Head of Talent Engagement.
