

Paint Our Dreams

From Kwai Chung to Phnom Penh

City Telecom, Nov/Dec 2011

Prepared City Telecom (HK) Limited
Learning & Development

Purpose of the Trip

"Some new-joined Talents asked about the reasons of organizing these kind of activities for our company. There are several reasons underneath, with the first to build close bonding between Talents after getting along throughout the tour. Secondly, I wish that our Talents can understand more on love and caring, to understand more on the rich and the poor in this world, so as to love their lives, to treasure what they have and to live passionately."... Participants' Reflection

喝一杯清水,對每個香港人來說是手到拿來的容易,許多香港小朋友要求的也許是令人花多眼亂的種種飲料,並不是單單滿足於一杯清水。而一杯簡樸清澈的水對柬埔寨的小朋友來說,卻是一種寶物,甚至乎是一個願望。

Joey Tse, Telesales Supervisor, Hong Kong

過去,我們都是在父母的呵護下長大,兩老好像兩棵大樹為我遮風擋雨,我覺得我所得到的東西都是理所當然的。而柬埔寨的小朋友中好多都是街童或孤兒,連最基本的溫飽都成問題,但他們學會感恩,知道所有東西都得來不易。

Bini Chan, Senior Trainer, Guangzhou

在柬埔寨的數天旅程中,有機會跟當地一些年幼學生談到他們將來的職業抱負,其中一位女孩在探訪垃圾山社區時跟我說,她長大了要當律師,我問她為什麼,她很認真的告訴我,不為名不為利,只因為這個國家裡,經過歷史人禍的洗禮,現在認識法律的人不多,她希望當了律師之後,可以好好『保護』這個國家和人民,眼前這個十來歲的小女孩,用上了保護國家這個字,令我既感動又敬佩。

Participants' Reflection

Such a valuable trip to help lift children in need out of poverty and change my and their lives.

Bannis Guo, Telesales Executive, Guangzhou

It has inspired me with the strength to move forward and grow as a better individual.

May Fung, Sales Manager, Hong Kong

After visiting Scott Neeson at Cambodian Children's Fund, I was inspired by their actions and results, i.e. my thinking changed from just rhetorically asking "What can I do?" to actioning "What will I do to make an impact?"

Philosophy

➤ *CCF is dedicated to giving its students the chance to discover their individual voices. We are proud to see our students demonstrate intolerance for injustice, a strong sense of self-worth and a deep sense of compassion and respect for their communities and country - ultimately honing their potential to emerge as **leaders and progressive spokespeople** enacting positive social change.*

Feedback from CCF

"The City Telecom visits were an inspiration to everyone involved. What started as a volunteer work group soon became a meeting of two families, each with a very different perspective of the world and both with a strong willingness to share their lives and experiences. Together they defined teamwork.

With talent and great affection, the painting teams transformed the walls of our children's activity areas into a bright and joyful environment for the children in our care. These wall murals will provide many years of happiness, as will the memories and friendships made during the City Telecom visit." ... **Scott Neeson, Founder, Cambodian Children's Fund**

Feedback from the CCF Kids

We, CCF Community Centre staff and kids, were very happy to meet you and your team. We would like to THANK YOU very much for your valuable time visiting CCF, painting beautiful pictures in CCF's campus, sharing sweet smiles to our kids and leaving lovely gifts for them.

Your heartfelt work has brought us fantastic memories. Our kids are very excited and they indeed love your painting and gifts. They enjoy looking and touching your painting. And now they love playing your toys, using your crayons for coloring, listening to your wishing cards and so much more.

hey THANK YOU so much for your kind work and gifts. Here are their wonderful smiles when they got your gifts.

We wholeheartedly wish you good luck, good health, success and endless happiness.
