### **Post FY2010 Global Media Interviews**

(Hong Kong, 16 November 2010) City Telecom (HK) Limited ("City Telecom", HKEX : 1137, NASDAQ: CTEL) was interviewed by CNBC Asia, CNBC US and Bloomberg US after our FY2010 annual results announcement. In particular, the Global media was intrigued by City Telecom's ability to profitably offer symmetric 1000Mbps broadband service at US\$26/month, which is amongst the best value in the World, and helping to secure Hong Kong's position as the third highest penetrated Fibre-To-The-Home market in the World approaching Korea and Japan. Furthermore, there was focus on City Telecom's domination of the market growth, capturing 93% of the estimated broadband subscription market growth in the year to 31 August 2010, in a highly competitive market of four players.
