

For Immediate Release

## **Sparkling GEM Thur/Fri Afternoon for City Telecom's 3200 Talents**

(Hong Kong, 22 September 2011) At City Telecom (H.K.) Limited (HKEX: 1137, NASDAQ: CTEL), we believe the effective internal communications is essential to achieving our 10-year Big Hairy Audacious Goal (BHAG) of becoming the largest IP service provider in Hong Kong by 2016. So far, five years into this 10-year goal, we are well on track.

Twice every year, we host town hall meetings for all our 3,200 Talents in Hong Kong and Guangzhou to gather and align our objectives and actions. This year, we added some sparkles to our meeting by featuring Ms. G.E.M. Tang, one of Hong Kong's most famous Canto-pop stars, in an exclusive private concert for our Talents.

At this meeting, CEO Mr. William Yeung expressed gratitude towards Talents' endeavor over the past year, followed by company-wide game as the warm-up for the 1-hour performance by G.E.M. Tang. *"Happy Talents Bring Happy Customers'. We are always looking for ways to delight our Talents, especially after their outstanding contributions over the past year. G.E.M. is renowned for her passion and energy with her name being short for Get Everybody Moving."*

Mr. Lam Wong, Senior Sales Executive, said, *"It's great that we can have a direct talk with our CEO in Talents Meeting. And I really appreciate the meeting and the show arranged by the company. We really enjoy G.E.M.'s show."*
