

For Immediate Release

HKBN bbTV News Now Available on LG Smart TV

(Hong Kong, 13 April 2011) Hong Kong Broadband Network Limited ("HKBN", a wholly-owned subsidiary of City Telecom (HK) Limited, HKEX: 1137, NASDAQ: CTEL) is pleased to announce that, bbTV News content is now available in the latest series of LG Smart TV!

LG Smart TV is the latest Internet-enhanced TV series from LG Electronics. Useful information can be obtained at the click by using the Magic Motion Remote Control together with the Home Dashboard's on-screen key words. Under the current collaboration between HKBN & LG, HKBN bbTV became a built-in platform available in all LG Smart TV Series. Free informative videos such as news information, featured stories, culinary programs, children education and bbTV promo, etc. will be available by only point the remote control at the desired option, bringing users and their families more interesting and practical knowledge through broadcast interactivity. Ten real time news video and two featured stories will be updated by HKBN bbTV every day while the culinary program and children education will be exclusive to LG Smart TV users in the first six months.

Mr. Wayne Lee, Managing Director of LG Electronics HK Limited, said: "LG Smart TV Series enable internet connection for different apps downloading, providing users with extra information. With rich source of information, HKBN bbTV is our perfect partner."

Ms. To Wai Bing, Managing Director of Business Development, HKBN said, "We are honored to be the partner of LG Electronics, bringing users of LG Smart TV Series with latest updates of the world. We believe HKBN bbTV's content will meet the users and their family needs and bring tremendous fun to their life."
